Areca Leaf Tableware · From Nature, Back to Nature

A simple, chemical-free journey

1

Collect fallen leaves

Handpicked, naturally fallen palm leaves. No tree is ever cut.

2

Wash with fresh water

Palm leaves are washed with fresh water, without additives or chemicals.

3

Press into shape

The cleaned and dried palm leaves are pressed into their final shape.

4

Hygienic packing

Products are packed in hygienic condition and transported safely.

5

Back to the earth

After use it composts and biodegrades ($\text{CO}_2 + \text{H}_2\text{O}$) and returns to the soil.

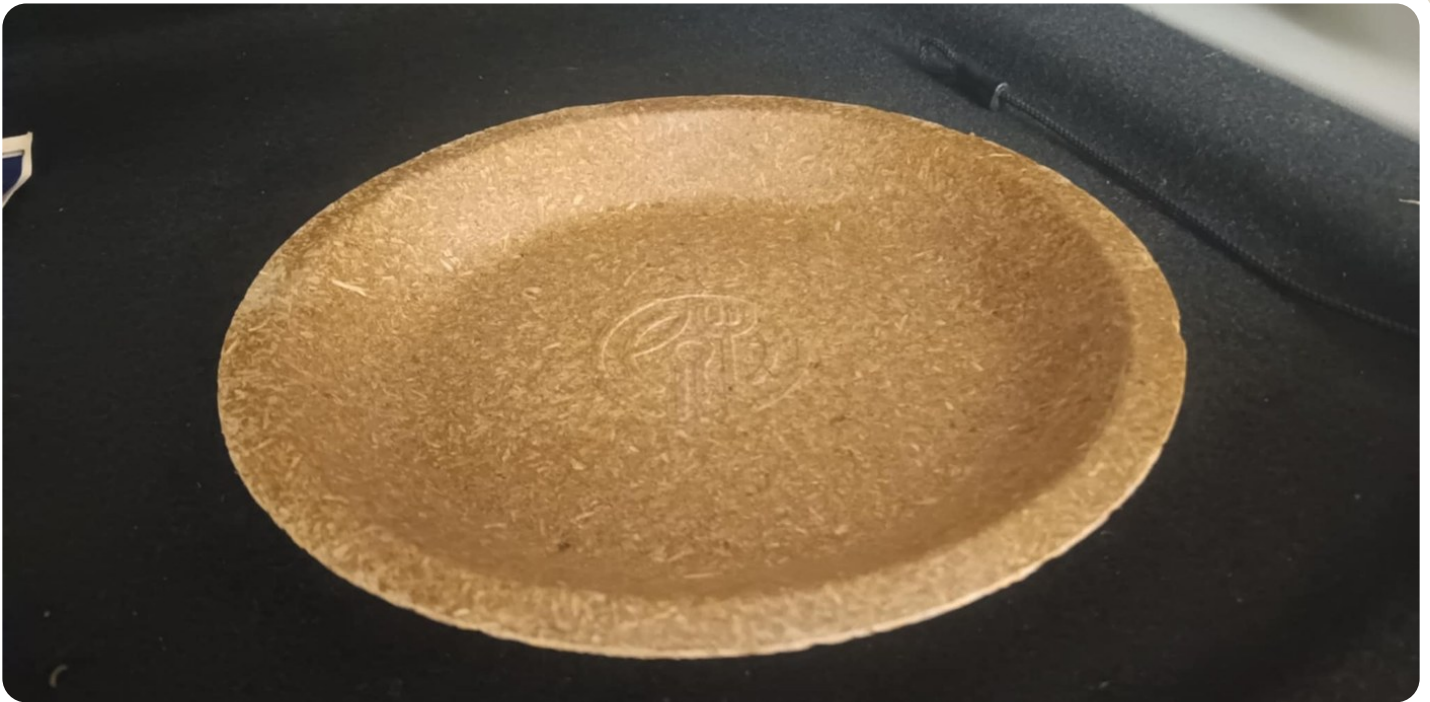

From Nature to Nature

Naturally fallen leaf in, compost out. Nothing wasted.

Rice Husk Range

Deep, sturdy plates and meal trays pressed from natural rice husk fibre: light golden-brown, logo embossed on request. Food safe, hot & cold resistant, oil & water resistant, microwave safe, biodegradable & compostable.
